

*~saving the world, one song at a time~*

## Lyrics

## One Good Deed

by SUPER JOE

### VERSE ONE

Why do we make war?  
When we can make friends,  
Why do we fight amongst ourselves?  
Why do we build bombs?  
When we can build homes,  
Why don't we all just try to help??

### CHORUS

If every body in the world did  
ONE GOOD DEED each day,  
There'd be GOOD DEEDS  
by the millions every minute,  
and all the children in the world,  
together they would play,  
If everyone did one good deed each day

### VERSE TWO

Why do we destroy?  
When we can create,  
Why do we waste our lives away?  
Why do we sit and do nothing?  
When we can stand and do something,  
Why do we just sit back and wait?  
Why do we hurt each other?  
When we can help each other  
Why can't we all just get along??

### CHORUS

If every body in the world did  
ONE GOOD DEED each day,  
There'd be GOOD DEEDS

by the millions every minute,  
and all the children in the world,  
together they would play,  
If everyone did one good deed each day  
All the bells in the world would be ringin'  
All the children in the world would be singin'  
Mother Earth would keep on turnin'  
Round and round she'd keep on turnin'  
round and round and round,  
round and round and round,  
round and round and round,  
round and round and round.....
