

~"saving the world, one song at a time~"

Lyrics

Wash Your Hands

WASH YOUR HANDS
Everybody WASH YOUR HANDS with me,
WASH YOUR HANDS
Just closely and you will see,
It's so easy to WASH YOUR HANDS with me,
Well there's a new sensation that's sweeping the nation
Everybody thinks it's real swell,
You don't need coordination or concentration,
It's as easy as ringing a bell,
It's a crazy little dance step everyone's trying,
You can get in on it too,
It's ever so simple man I'm not lying,
Let's see just how you do,
WASH YOUR HANDS
Everybody WASH YOUR HANDS with me,
WASH YOUR HANDS
Just closely and you will see,
It's so easy to WASH YOUR HANDS with me,
Now I suppose you're all wondering what this song is about,
I'm going to tell you right now,
It's a brand new dance that just came out,
Listen closely, Soon you'll learn how,
Everybody get together in a very straight line,
rub your hands together in the air,
Imagine washing your hands, Soon you'll find,
Everyone is havin' fun every where !!!
WASH YOUR HANDS
Everybody WASH YOUR HANDS with me,
WASH YOUR HANDS
Just closely and you will see,
It's so easy to WASH YOUR HANDS with me,
